Robert
Stiefel, MD

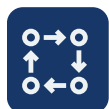

**Principal
& Anesthesia Consultant**

"Our goal remains to create a stable, sustainable framework, allowing the business models of anesthesia groups and hospitals to support each other synergistically."

WHAT WE DO

**Optimize Anesthesia
Finances**

Identify Cost Savings

**Commercial
Reasonableness and
Compensation Models**

**Align Anesthesia
Expectations**

**Enhance Stakeholders
Satisfaction**

**Improve Operating
Room Efficiency**

**Achieve Operational
Excellence**

**Implement Data Driven
Initiatives**

WHO WE ARE

The Enhance Healthcare Consulting (EHC) team consists of **board-certified anesthesiologists, nurse executives, and healthcare business leaders** who have decades of experience practicing clinically and advising leading hospitals, health systems, and anesthesia groups.
